REQUEST FOR RELEASE OF FUNDS

On or about May 31, 2018, Scott County will submit a request to the Virginia Department of Housing and Community Development (DHCD) for the release of Virginia Department of Housing and Community Development and/or Appalachian Regional Development funds under Title 1 of the Housing and Community Development Act of 1974, as amended (PL 93-383), to undertake a project known as the Devil's Bathtub Project, for the purpose of land acquisition for construction of approximately 80 to 100 parking spaces, picnic area and vault toilet building.

FINDING OF NO SIGNIFICANT IMPACT

The Scott County Board of Supervisors has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the Scott County Administration Offices in the County Administrator's Office, located at the Scott County Offices Building, Suite 201 Gate City, VA 24251 and may be examined or copied weekdays 9 A.M. to 4 P.M., as well as on the County's website at www.scottcountyva.com.

Any individual, group, or agency disagreeing with this determination or wishing to comment on the project may submit written comments to the Scott County Administrator's Office. All comments received by May 29, 2018 will be considered by the Scott County Board of Supervisors prior to authorizing submission of a request for release of funds. RELEASE OF FUNDS

The Scott County Board of Supervisors certifies to DHCD that Freda Starnes in her capacity as County Administrator consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. DHCD'S approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows the Scott County Board of Supervisors to use Program funds.
